

THE GATEWAY CONNECTION

Since 1988 Gateway has evolved into a national financial services marketing enterprise designed and dedicated to supporting the independent investment and insurance professional.

The Gateway Connection provides autonomy and the benefits of independence, without the isolation of being alone. Together, **Gateway Financial Advisors, Inc. (GFA)** and **Gateway Insurance Group, Inc. (GIG)** offer you greater resources and support for continued success and future growth. Our back office infrastructure provides access to marketing initiatives and sales ideas, sales support, education and training, a network of experience and expertise, business coaching, compliance, competitive compensation, incentives, recognition and more.
